

MALDA DISTRICT

Good work done by Police

Malda District Police has launched its latest Community Policing Initiative named FERA (the Return) on 29/11/2017. Through this project Malda District Police desires to confirm that people who were once in conflict with law of the land returns to the larger society with dignity. Persons identified by Malda District Police for this project are still in a financially unstable situation and naturally are still highly susceptible to their old habits/instincts. With a unique initiative undertaken by S.P., Malda to rehabilitate such 19 persons by arranging loans from District Industries Centre (under deptt. of MSME) on the basis of possessed skills under Community Policing project of Malda District.
